I'm developing a user interface where users can enter the desired pick values into a ListView via a dropdown list that I have designed in a separate form. I have created a listview with the dropdown functionality (see screenshots) however I'm having issues implementing a function to populate the dropdown list when an item is selected on the listview. I have been unsuccessful searching for a solution for days now, and would appreciate some help. Below is the code for what I have so far. Thank you for your time. Private Sub SelectAllValues()
'listview1.itemselected += 1 'listview1.itemselected = 1 'listview1.itemselected = 1
'listview1.selectedindex = 0 Dim lsi As ListViewItem Dim lvi As ListViewItem Dim lvc As ListViewItem Dim
